ATTENTION: This form must be completed by the inventor or applicant, and submitted to the U.S. Patent Office along with the application. It is used by the U.S. Patent Office to determine if the invention is new, useful, and non-obvious. The information provided on this form will be used by the U.S. Patent Office to determine if the invention is eligible for patent protection. If the invention is found to be eligible, the U.S. Patent Office will issue a patent. If the invention is found to be ineligible, the U.S. Patent Office will refuse to grant a patent. The information provided on this form will also be used by the U.S. Patent Office to determine if the invention is eligible for other forms of intellectual property protection.

If you need any other information about the form, call 1-800-368-5848 or visit www.irs.gov.
